- Non-Negotiable: The majority of the budget is driven by contractual obligations (e.g.: union contracts, federal and state mandates, Individual Education Plans, etc.) which are non-negotiable.
- ➢ WCSD balanced a 1.42% budget to budget increase using less than 25% of the budget.
- WCSD balanced a budget without compromising student programs

To restore some of the original proposed items presented to the Board of Education during the General Support and Instruction (01/07/19) and Transportation and Undistributed (02/11/19) Presentations, WCSD will need an increase in State Aid!

We believe that active and continuous learning is essential for individuals and communities to flourish.
