

WCSD **BUSINESS DEPARTMENT** Courses

"The Power of Possibility"

Business Law

Why take this business elective?

Business Law opens the door to the types of situations you will face in your future. Know your rights. What rights do you have in school? Can they really search your locker? What happens when you buy a car? What happens in courtroom? Whether you are planning a legal career or just have common legal questions, this is the course for you. You will take a trip to the Dutchess County Courthouse to witness real court cases as they unfold. Business Law is a great foundation to other business courses including Business Ownership, Sports Law, and Entertainment Law.

How will a business course help me in real life?

If you have ever had a broken cell phone or when you buy your first car you will have legal questions. From which insurance you should purchase to what rights you have at your job, you will use the skills learned in this course.

When will I ever use this again?

You will review common court cases and learn information you can use every day! At some point in your life, the topics covered in this course will be part of your life. Be prepared with the answers you need to succeed!
