

WCSD BUSINESS DEPARTMENT Courses

"We Mean Busine\$\$!"

Sports Law

Why take this business elective?

Do you like to prove a point? Are you the person who enjoys defending others? Maybe you are a huge sports fan, but do not consider yourself an athlete. No problem! After taking Business Law, explore how the law impacts sports. What power does the NCAA have over student-athletes? Why are players in a union? You will study legal cases related to the fields of amateur and professional sports. You will have the opportunity to review areas of law that include contracts, labor law, collective bargaining, discrimination, employment, crimes, constitutional, common law, just to name a few.

How will a business course help me in real life?

Previous students share that Sports Law is, "Best Class I Ever Took!" ~Justin
By learning how to review court cases focused on sports, you will appreciate what goes into your favorite teams trading players and negotiating their contracts. Learn beyond just the decision from a court case to how the players and the owners got to the decision. From issues of equality to product safety, our world is shaped by the law.

When will I ever use this again?

The law is everywhere. By examining the impact the law has in shaping the sports industry, you will gain insight into how the law impacts all areas of our life.
